

# DAY 23

## CURATE TO CONNECT

*Art UK is the online home for every public art collection in the UK. Their website, [www.artuk.org](http://www.artuk.org), makes art available for everyone – for enjoyment, learning and research.*

### Do

How could you make a part of your home an exhibition space? Choose an area (or a few) and curate a home art exhibition featuring your 'Favourite Things'. Pick around 5 objects and display them. For each object, write on a piece of paper: what it is; when you acquired it; why it's one of your favourite things. Your exhibition is complete!

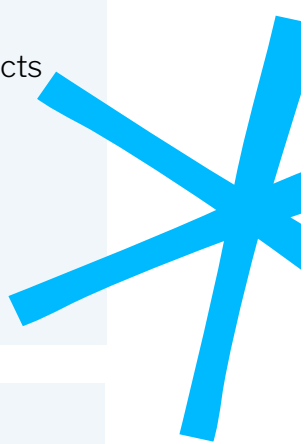

### If you have more time...

Turn your real life exhibition into a digital showcase by using Art UK's brand new Curations tool. Find the simple instructions at [www.artuk.org](http://www.artuk.org) and curate your own exhibition inspired by your favourite things.

### Think

What made you choose the objects in your exhibition?

How does it feel to curate your space?

### Share

Share your work in a way that suits you - online, or offline.

Search #CreateToConnect to see what others are up to.
